CULTURE AT THE HEART OF SANDYMOUNT

Bringing Art, Music, and Laughter to Our Village

Upcoming Event:

The Sandymount Culture Programme was established in 2023 as an initiative of the Sandymount Community Centre. Our aim is simple: to bring a broad range of cultural events - including drama, music, poetry, rock, dance, film, and art - to the diverse residents of Sandymount and surrounding areas.

We believe in providing a warm and friendly performance space not only for established artists but also for up-and-coming talents to hone their skills. Join us on the first Friday of each month to enjoy our latest offerings!

Whether you'd like further information on an event space or would like to know what activities, events or gatherings are happening - get in touch today!
