### On-Line Donations

Currently the fees charged by AIB Merchant Bank for donations on line are 0.8% if you use a credit card and 0.4% if a debit card is used. We will keep you posted on a monthly basis on whatever charges are involved. In some cases it may be to our advantage if donations are made by cheque instead. An advantage of donation on line is that it records your name and facilitates access to a tax rebate. It really helps when people in generosity donate to church funds if they share their name with us in doing so. In recent years the rebate benefit to the Parish has been as much as €25,000 per annum and a major factor in the running of the Parish.
