NOMINATION**

The Process of Nomination

Nomination is a process that helps the selection of new PPC members by **NAMING** not only who the person is but also the gifts and skills they would bring to the PPC

- You are asked in this process **to consider**:
- If you would like to **nominate a member of the parish**
 - **For three years** of service on the PPC

Those nominated would be expected to:

1. Take part in the **monthly PPC meeting**, contribute to it and support developments
2. **Enable** everyone in the parish to use their gifts
3. Take part in an **annual** retreat or formation gathering

Parish Pastoral Councils are the servant leadership team for the parish.

PPC's need to be grounded in **PRAYER** to help them make good decisions.

PPC's work in **PARTNERSHIP** with the parish, with each other and with the clergy to further the good of the parish.

PPC's make **PLANS** for developing new areas of parish life or strengthening existing areas.

Any person who is nominated **MUST** be able to pray and reflect, work in partnership with others and forward plans to turn them into action.

They must also be **FREE** to serve for the designated period of 3 years.
